

Pre-Terminated HDBaseT Assemblies

West Penn Wire's HDBaseT Assemblies are manufactured with HDBaseT Certified Cables and High Quality modular Plugs.

The assemblies are built using only the highest quality HDBaseT Certified Cables in either Shielded Category 6 or 6A as well as Category 7 all made to your exact length requirements.

West Penn Wire's dedicated assembly team uses quality RJ45 Modular Plugs and each assembly is fully tested, assuring that it is ready for immediate installation by you and your team.

West Penn Wire provides pulling tool PN. 17507. Our pulling tool protects cables and connectors from being damaged by taking the stress off of the connection points while pulling.
