PROCAT5E Ultra Flexible Shielded Tactical CAT5E Cable

Tactical Flexible Category 5E Shielded Cable with  
RJ45 Plug to RJ45 Plug

The PROCAT cables are some of our very best selling products, and not just because they have a catchy name - These fully shielded cables are ideal for anyone who needs extra protection, but doesn't want to sacrifice the flexibility that comes with a smaller diameter cable.

- Tactical grade professional cables
- Ultra-flexible rubber jacket provides heavy-duty protection without compromising flexibility
- Coils up like a high-quality microphone cable
- Perfect for applications where extra protection is needed
- Booted RJ45 Plugs
